PART A RECRUITMENT AND SELECTION POLICY

1. INTRODUCTION

- 1.1 People are our principal asset and it is through their individual and collective performance that the Trust and its schools are able to achieve their aims. Good quality recruitment and selection is, therefore, essential, whether filling short-term temporary posts or the most senior key position.
- 1.2 Recruitment and selection should be approached systematically, ensuring that not only is the most suitable person selected, but that statutory requirements in relation to matters of safeguarding and equality are adhered to.
- 1.3 This policy reflects any changes in legislation including the latest advice from Keeping Children Safe in Education (KCSIE 2020), the English Language Requirement for Public Sector Workers (the Immigration Act 2016) the General Data Protection Regulations (GDPR) 2018 and The Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018.

2. SAFER RECRUITMENT

- 2.1 It is the responsibility of the Trust Board and the Local Governing Body to prevent people who pose a risk of harm from working with children by adhering to statutory responsibilities to check staff who work with children, taking proportionate decisions on whether to ask for any checks beyond what is required and ensuring volunteers are appropriately supervised. A full checklist of the statutory checks which should be carried out at the various stages of recruitment is included in the separate Managers Toolkit which has been developed to support this policy.
- 2.2 Any documentation issued by the Trust and its schools relating to the recruitment and selection process will include an explicit statement about our commitment to safeguarding and promoting the welfare of children that links to the Trust and its schools' Child Protection Policies and Procedures.

3. SCOPE OF THE POLICY

- 3.1 The policy and procedures will apply to the recruitment and selection of all posts within the Trust and its schools.
- 3.2 Guidance on the recruitment of volunteers is provided at paragraph 22.

4. RECRUITMENT AND SELECTION TRAINING

- 4.1 The KCSIE guidance (2020) refers to the School Staffing Regulations (2009) which require governing bodies of maintained schools to ensure that at least one person on any appointment panel has undertaken safer recruitment training.

4.2 While there is no statutory requirement for academies to have any recruitment panel members trained it would be best practice to have at least one panel member who has undertaken training.

4.3 The NSPCC has developed an online recruitment training course in line with the KCSIE guidance, this training course follows the safeguarding framework for England. Details can be found at <https://www.nspcc.org.uk/what-you-can-do/get-expert-training/safer-recruitment-training/>

5. EQUALITY

5.1 In applying the policy and procedure, managers will not unlawfully discriminate in respect of any of the protected characteristics as defined under the Equality Act as specified below;

- Age
- Disability
- Gender Reassignment
- Pregnancy and maternity
- Race (including ethnic or national origins, colour and nationality)
- Religion and belief
- Sex
- Sexual Orientation
- Marriage and civil partnership

5.2 All employees will be appointed, trained and promoted on the basis of ability and the requirements of the job. Any exception will be by virtue of legislation or an Occupational Requirement.

Reasonable adjustments for disabled job applicants

5.3 The Trust and its schools will ask whether an applicant needs any reasonable adjustments for any part of the recruitment process. Further, if a candidate has indicated a disability on their application form, or the Trust or any of its schools becomes aware of it, or the candidate asks for reasonable adjustments to be made, the Trust or its schools will consider making them.

5.4 In many cases, reasonable adjustments are relatively simple and inexpensive to make:

- a candidate with a hearing impairment may need to clearly see the interviewer so they can lip read
- a candidate with limited mobility may need to know the 'accessibility routes' to the interview rooms in the building
- a candidate with dyslexia may need some additional reading time to familiarise themselves with materials used for a presentation.

5.5 In addition, all applicants who consider themselves disabled and who meet the essential criteria of the person specification will be granted an interview.

- 5.6 It is the responsibility of all of those involved in the recruitment and selection process to ensure that equality legislation is adhered to and unlawful discrimination is avoided.

6. ENGLISH LANGUAGE REQUIREMENT FOR PUBLIC SECTOR WORKERS IN CUSTOMER FACING ROLES

- 6.1 Part 7 of the Immigration Act 2016 creates a duty to ensure that all public authority staff working in customer-facing roles speak fluent English to an appropriate standard. This includes relevant staff working in the Trust.
- 6.2 The government has produced a statutory Code of Practice to help employers comply with this requirement (this can be viewed at www.gov.uk “Code of practice on the English language requirement for public sector workers”). Further advice and guidance on how the requirement will apply to recruitment and selection is provided at Appendix 1.

7. DISQUALIFICATION UNDER THE CHILDCARE ACT 2006 – AMENDED REGULATIONS

- 7.1 New legislation (The Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018.) was effective from the 31st August 2018 and the government released revised guidance.
- 7.2 The main change in the legislation was that the Trust is no longer required to establish if staff, including those working with under 5s or under 8s in wrap around, extended hours or childcare, are disqualified by association. That is if they share a house with someone who would be disqualified from working with children. This means that the Trust no longer have to ask their staff questions about cautions or convictions of anyone living or working in their household. However the Trust will still need to satisfy themselves that staff working in a relevant setting are themselves not disqualified under the Childcare Act. Further information and guidance on this requirement is provided at Appendix 2.

8. GENERAL DATA PROTECTION REGULATIONS

- 8.1 Recruitment and Selection records will be retained and used in accordance with the General Data Protection Regulations (GDPR) 2018 and other legislative provisions.

PART B RECRUITMENT AND SELECTION PROCEDURE

1. The procedure outlined below should be followed for the recruitment and selection for all posts within the Trust and its schools. A separate Managers Toolkit has also been developed to assist with the recruitment process which can be used with the policy.

2. JOB DESCRIPTION

- 2.1 The job description and person specification are essential pre-requisites for effective recruitment and selection. Without these statements showing what the job entails, how and where it fits into the Trust or school structure and the personal requirements for it to be performed to a satisfactory standard, no further steps such as advertising or shortlisting should be taken.

3. PREPARING JOB DESCRIPTIONS

- 3.1 It is important that job descriptions are written in sufficiently wide terms to cover not only the work which an employee will undertake immediately upon appointment, but also the range of work which may be involved in the longer term. It is good practice for job descriptions to be reviewed every time a vacant post is to be filled.

- 3.2 The format of a job description should include:

- job title;
- grade;
- responsible to (i.e. the person to whom the post holder reports);
- responsible for (i.e. staff for whom the post holder is responsible);
- a brief statement of the main purpose or function of a job (preferably in one sentence);
- main job duties (this should be concise and always include provision for “such other duties as may be allocated from time to time, commensurate with the grade of the post” and “the post holder may also be required to undergo training in order to undertake duties of the post in an efficient manner”).

- 3.3 The job description should also clearly set out the extent of the relationships and contact with children and the degree of responsibility for children that the person will have in the position to be filled.

- 3.4 It should also include the following paragraphs:

- The post holder must carry out his/her duties with full regard to the Trust and its schools’ Child Protection, Equalities and other relevant policies in the terms of employment and service delivery to ensure that colleagues are treated and services delivered in a fair and consistent manner.
- That the post holder is required to comply with health and safety policy and systems, report any incidents/accidents/hazards and take pro-active approach to health and safety matters in order to protect both yourself and others.
- Any other duties of a similar nature related to the post, which may be required from time to time.

- That the post holder will be required to comply with all Trust and school policies, including the no smoking policy.

4. PERSON SPECIFICATION

4.1 Once the duties of a job have been identified by means of a job description, then the requirements necessary to do the job can be defined in a person specification. A person specification must be produced for all posts. Any existing specification should be reviewed and amended every time a vacant post is to be filled to take into account any changes to the job.

4.2 Person specifications fulfil a number of purposes, including the following:

- Listing the essential and desirable criteria which will be considered in the selection process;
- Assisting the preparation of job advertisements;
- Enabling prospective applicants to self select by assessing themselves against the requirements for the job;
- Providing a basis for determining selection methods (e.g. professional tests, interviews etc.);
- Providing a basis for determining core interview questions;

The person specification also needs to:

- Include the qualifications, experience and any other requirements needed to perform the role in relation to working with children;
- Specify how these criteria will be assessed i.e. the application form, at interview, tests, presentations, references etc. and an Enhanced Disclosure and check of the Children's Barred list via the Disclosure and Barring Service (DBS formerly the CRB), where relevant.

4.3 The requirements of the job should be broken down to those, which are essential, and those, which are desirable. The essential criteria should be the minimum criteria, which a candidate must have to undertake the duties of the post and failure to meet all of the essential criteria will constitute a valid ground for exclusion from a shortlist. Desirable criteria are those which although not essential could enhance job performance. Care should be taken to ensure these do not become subjective. The person specification will specify how the candidate meets each criteria i.e. at interview, application form etc.

4.4 The person specification should ensure that the essential and desirable criteria do not directly or indirectly discriminate on the grounds of any of the protected characteristics contained within the Equalities Act unless an Occupational Requirement can legally justify these. Care must be taken to ensure that only criteria which genuinely affect job performance are included and unnecessary or unjustifiably high standards (particularly in relation to qualifications and experience) are not included i.e. ones which are over and above those required for the post.

5. ADVERTISING

5.1 The prime purpose of the job advertisement is to attract a suitable number of appropriately qualified people to apply for a vacancy and to achieve this in a cost effective way. The content of adverts must be factual, non discriminatory and should include:

- Job title and location;
- Hours of work;
- Description of the job;
- The essential/desirable qualifications and skills
- The rate of pay/appropriate pay scale for the post including the pro rata salary for part time posts;
- Details of any additional payments or allowances applicable;
- Any career or training opportunities where appropriate;
- Closing date for applications and if known the date of interview;
- Contact details for queries or further information;

5.2 In addition to the above adverts for Teaching staff should also include:

- The Trust's position on matching existing salaries for Teaching staff and the salary range of the post (in accordance with the Trust's Pay Policy for Teaching Staff)

6. APPLICATION PACK

6.1 When applying for a post with the Trust or any of its schools, all candidates should receive an application pack. This should include: -

- The application form;
- Information and explanatory notes for completion – including closing date for receipt of applications;
- The job description and person specification;
- Relevant information about the Trust and its schools, the recruitment process and relevant policy statements in terms of safeguarding, equality and the recruitment of ex-offenders;
- The Child Protection Policy Statement;

A checklist of what to include in application packs is included in the Managers Toolkit.

6.2 In addition to the above application packs for Teaching posts should also include:

- The Trust's Career Stage Expectations;
- The Trust's Pay Structure and a statement of how pay progression is linked to performance and annual appraisal;
- The Trust's position on salary matching and probationary salaries.

- 6.3 Recruitment documentation will clearly specify which jobs are categorised under the Exceptions Order of the Rehabilitation of Offenders Act 1974 and (NI) Exceptions Order 1975 and which posts will be subject to disclosure and vetting via the DBS. It should also be made clear that the personal information provided on application forms will be retained and used in accordance with the General Data Protection Regulations (GDPR) 2018 and other legislative provisions.

7. ACKNOWLEDGEMENT OF APPLICATIONS

- 7.1 For reasons of economy, applicants may be informed that acknowledging receipt of their application is only possible if they provide a pre-paid envelope or an e-mail address for this purpose. For similar reasons, it is acceptable to inform applicants they should regard their application as having been unsuccessful should they not be contacted after a certain date.

8. LATE APPLICATIONS

- 8.1 The advertised closing date for receiving applicants should be carefully set to allow a reasonable time in which potential applicants can respond. Applications received after the closing date has expired should, therefore, not normally be considered. However, there may be some limited cases where an exception can be considered, such as postal service disruptions, or other similar impediments.

9. SHORT LISTING

- 9.1 After the closing date for the receipt of applications has been reached, a preliminary assessment of all applications is necessary to establish those applicants who are to be interviewed. This should be done by comparing the applications against those elements of the person specification that have been specified as being essential. If, after doing this there are still more potential candidates than could reasonably be interviewed, applications should then be assessed against the desirable qualities of the person specification. If there are too few suitable candidates, consideration needs to be given to the person specification and the advert to establish if they were too restrictive, alternatively the method of attracting candidates may not have been adequate.
- 9.2 It is essential that shortlisting is an objective procedure. It may be necessary to demonstrate such objectivity at a later date should a claim be made on discrimination grounds. All records will be retained and used in accordance with the General Data Protection Regulations (GDPR) 2018 and other legislative provisions.
- 9.3 All candidates should be assessed equally against the criteria in the person specification without exception or variation.
- 9.4 All applications should be scrutinised carefully to ensure they are fully and properly completed. The information provided needs to be consistent and should not contain any discrepancies. Any gaps in employment should be identified.
- 9.5 Incomplete applications should not be accepted.

- 9.6 A shortlisting panel should consist of at least three people, with two being the minimum.
- Panel members are recommended to use a shortlisting pro-forma when undertaking shortlisting.
 - The shortlisting panel should be the same individuals as the interviewing panel and all panel members will need to be involved in both the shortlisting process and the interview;
 - Every application form, together with any other supporting documentation, should be seen by all those on the short listing panel;
 - The short listing panel should work separately when assessing applications and establish their draft shortlist;
 - The panel should then meet and agree a final shortlist of applicants to interview;
 - Only applicants who, in the opinion of the panel, meet all essential criteria in the person specification should be shortlisted;
 - If there are too many applicants who meet the essential criteria, the desirable criteria in the person specification should be considered. The panel can agree the desirable criteria that candidates will be matched against if they do not wish to use all desirable criteria;
- 9.7 Having shortlisted, a panel may decide that no applicant meets the essential requirements for the post. In this situation the job description and person specification should be reviewed before a decision is made to re-advertise.
- 9.8 In the event that only one applicant meets the essential requirements for the post, selection may continue as planned, or a decision may be taken to re-advertise. Whichever decision is taken, all shortlisted applicants should be appropriately informed, and advised whether they need to re-apply or not.

10. EMPLOYMENT HISTORY AND REFERENCES

- 10.1 The purpose of references is to obtain objective and factual information to support appointment decisions, including an applicant's suitability to work with children and/or young people. It is important to obtain independent professional references that seek objective and justifiable information and not subjective opinion.
- 10.2 The Trust and its schools will seek two written references, one of which will be from the current or most recent employer and wherever possible at least one should be from a previous role where the applicant worked with children and/or young people. The references should cover a substantial enough period to obtain a full picture of the employment history, around 3 – 5 years.
- 10.3 Ideally, references should be sought on all short listed candidates, including internal applicants, and obtained prior to interview. This allows issues to be explored with the referee in advance and with the candidate at interview. Any job offer will be subject to receipt of satisfactory references. In accordance with the Equality Act information asking about sickness absence and health should not be included on reference requests, this information will be picked up for the successful candidate at the pre-employment health screening stage.

- 10.4 A copy of the job description and person specification should be included with reference requests.
- 10.5 On receipt, references should be checked to ensure that all specific questions have been answered satisfactorily. The referee should be contacted to provide further clarification as appropriate, for example if the answers are vague. They should also be compared for consistency with the information provided by the candidate on their application form.
- 10.6 Any information about past disciplinary action or allegations should be considered carefully when assessing the applicant's suitability for the post.
- 10.7 All reference requests will ask:
- About the referee's relationship with the candidate i.e. if it is a working relationship, how long has the referee been working with the applicant and in what capacity;
 - Whether the referee is satisfied that the applicant has the ability and is suitable to undertake the job in question, specific comments about applicant's suitability for the post and how s/he has demonstrated that s/he meets the person specification;
 - Confirmation of details relating to the applicant's post and salary;
 - Specific verifiable comments about the applicant's performance history and conduct;
 - Details of any **live** disciplinary procedures/suspension to which the applicant is subject;
 - Details of any substantiated allegations or concerns that have been raised with the candidate that relate to the safety and welfare of children and young people and/or their behaviour towards children and young people. Allegations which were proven to be false, unsubstantiated or malicious should not be included in an employer references. A history of repeated concerns or allegations which have all been found to be false, unsubstantiated or malicious should also not be included in any reference.
 - In **addition** to all of the above reference requests for **Teaching** posts will also ask for details of any **non health capability procedures**, to which the applicant has been subject to within the last **two years** and the outcome;
 - A reference pro form should be used for all posts in order to ensure consistency. An example pro forma for both Teaching and non-Teaching posts is included in the Managers Toolkit.
- 10.8 Referees should be mindful that:
- They have a responsibility to ensure that the reference is accurate and does not contain any material misstatement or omission;
 - Any relevant factual content of the reference may be discussed with the applicant;

- A candidate can ask to see information held about them – for example interview notes and references, or the full personal file if the candidate already works for the organisation. The Information Commissioner's Office at www.ico.org.uk has more information.

11. INVITATION TO INTERVIEW LETTER

- 11.1 The letter should include the relevant arrangements for the interview, i.e. the arrangements, directions to the venue and panel membership. Applicants should also be asked if they have any special requirements for the interview i.e. assistance with access etc.
- 11.2 It should also remind candidates how the interview will be conducted and the areas it will explore and should include details of the selection methods to be used i.e. children's panel, presentation and what facilities will be available on the day e.g. laptop, projector etc.
- 11.3 All candidates should be asked to bring their current driving license or passport (including a photograph), or full birth certificate, plus other documents i.e. a utility bill or financial statement showing the candidate's current name and address and any documentation relating to a change in name, where appropriate, for verification. The letter should stress that the identity of the successful candidate will be checked thoroughly and that they will be required to complete an Enhanced Disclosure with Barred List application (where appropriate).
- 11.4 Candidates will also be asked to bring documents confirming any educational or professional qualifications relevant to the post and specified as essential or desirable (if used in shortlisting) on the person specification.
- 11.5 A copy of any documents used to verify the successful candidate's identity and qualifications will be kept on the personal file.

12. THE INTERVIEW

- 12.1 The interview should assess the merits of each candidate against the job requirements, and explore their suitability to work with children. The selection process for people who will work with children should always include a face-to face interview even if there is only one candidate.
- 12.2 The interviewing panel should consist of at least three people and in some cases, e.g. for senior or specialist posts, a larger panel might be appropriate.
- 12.3 The members of the panel should:
- have the necessary authority to make decisions about the appointment in accordance with the Trust's scheme of delegation. Appointment of CEO/Deputy CEO/Executive Head Teacher/Head Teachers, Heads of School, Deputy Head Teachers, Assistant Head Teachers and all leadership posts will need to be ratified by the Board of Trustees;

Panel members should meet before the interviews to:

- Agree the assessment criteria in the person specification;
- Agree the questions and key responses that are expected in advance based on the criteria in the person specification avoiding hypothetical questions where possible, from which panel members will not deviate;
- Agree the issues to be explored with each candidate at interview based on information provided (especially any gaps in employment history and any concerns/discrepancies arising from the information provided by the candidate or his/her referee);
- Agree which panel member will ask each question and that notes will be taken by all panel members to act as a record;
- Agree the scoring criteria which the candidates will be assessed against.

An example scoring matrix is included in the Managers Toolkit.

13. SCOPE OF THE INTERVIEW

- 13.1 In addition to assessing and evaluating the applicant's suitability for the particular post, the interview panel should also explore:
- Gaps in the candidate's employment history; and
 - Concerns or discrepancies arising from the information provided by the candidate and/or a referee.
- 13.2 The panel should also ask the candidate if they wish to declare anything in light of the requirement for a DBS Disclosure.
- 13.3 Pupil involvement, or observing short listed candidates' interaction with pupils, is common and recognised good practice. i.e. asking candidates to teach a lesson, arranging for pupils to show candidates around the Academy (accompanied) or allowing pupils to meet short listed candidates.

14. DETERMINING TEACHERS' SALARIES ON APPOINTMENT

- 14.1 The Board or Local Governing Body will determine the salary range for the vacancy prior to advertising it, with reference to the Trust's pay structure and policy. On appointment the starting salary will be determined for the successful candidate taking into account;
- The Equality Act, Equal Pay Act and other relevant employment legislation;
 - The nature of the post;
 - The Trust's Career Stage Expectations for the post;
 - The Trust's position on matching existing salaries for Teaching staff;
 - Market conditions and any recruitment/ retention or additional allowances to be attached to the post;
 - The wider school context;

Further advice is available from the Trust's HR Partner.

15. CONDITIONAL OFFER OF APPOINTMENT: PRE -EMPLOYMENT CHECKS

15.1 Any job offer must be conditional based on the following: -

- receipt of at least two satisfactory references (to confirm the successful applicant's previous employment history and experience);
- verification of the successful applicant's identity;
- verification that the successful candidate has the academic or vocational qualifications that where specified as essential or desirable criteria on the job specification. If the successful candidate cannot produce original documents or certified copies, written confirmation of his or her relevant qualifications must be obtained from the awarding body;
- verification of the successful candidate's professional status where required e.g. QTS status, NPQH (National Professional Qualification for Headship); The Teacher Services' system will be used to verify any award of qualified teacher status (QTS), and the completion of teacher induction or probation;
- obtaining (via the applicant) an enhanced DBS certificate (including barred list information, for those who will be engaging in regulated activity);
- obtaining a separate barred list check if an individual will start work in regulated activity before the DBS certificate is available;
- verification that the candidate's mental and physical fitness to carry out their work responsibilities. A job applicant can be asked relevant questions about disability and health in order to establish whether they have the physical and mental capacity for the specific role; in line with the Equality Act and requirement to consider reasonable adjustments for a disabled applicant;
- checks to confirm the right to work in the UK;
- a certificate of good conduct from relevant embassy for overseas staff;
- a prohibition check to see if a teacher has been issued with a prohibition or interim prohibition order. This can be carried out using the Teachers Services/Employer Access Online Service.
- a check that the person is not the subject of a suspension or conditional order imposed by the GTCE (prior to abolition) that is still current;
- If working in a relevant setting confirmation that the person is not disqualified under the Child Care Act 2006. Please refer to Appendix 2 for further information.
- a check for a Section 128 direction which prohibits or restricts a person from taking part in the management of an independent school, including academies and free schools. This can be done through the **The Teaching Regulation Agency (TRA)**. From 1 April 2018 The National College of Teaching and Leadership (NCTL) no longer exists and the TRA now has responsibility for many of its functions.

16. INDIVIDUALS WHO HAVE LIVED OR WORKED OUTSIDE THE UK

- 16.1 Individuals who have lived or worked outside the UK will undergo the same checks as all other staff. In addition, the Trust will make any further checks they think appropriate so that any relevant events that occurred outside the UK can be considered. Overseas checks should be undertaken for individuals who have lived/worked overseas for 3 months or more in the last 10 years. It is the individual's responsibility to obtain a Certificate of Good Conduct. Further information can be obtained from www.safeguardinghandbook.co.uk/overseas and GOV.UK.

17. DBS CERTIFICATES/DISCLOSURE

- 17.1 The level of DBS certificate required, and whether a check for any prohibition, direction, sanction, or restriction is required will depend on the role that is being offered and duties involved.
- 17.2 The DBS will only issue a certificate to the individual and it is therefore the responsibility of the Trust or school to verify that the certificate is valid once it has been received. An Update Service has also been launched which allows individuals to subscribe to the service and re-use their DBS certificate for the same level and type of roles. Schools can also access the service for free, with the individual's permission, and check the status of the certificate on line.
- 17.2 For all posts where a DBS certificate is required the Trust and its schools **must** ensure that they see the certificate once the individual has received it and check that the certificate is valid.
- 17.4 Where an enhanced DBS certificate is required, it must be obtained from the individual before, or as soon as practicable after, the person's appointment.
- 17.5 A job offer can be withdrawn if the results of DBS checks/and or other pre-employment checks show anything that would make the individual unsuitable for the post that they have been offered.
- 17.6 Enhanced DBS checks on all members of the Board of Trustees, individual charity Trustees, and the Chair of the Board of Charity Trustees will be required. Where the Trust delegates responsibilities to any delegate or committee (including a local governing body), the Trust will require DBS checks on all delegates and all member of such committees. The Trust will also check that members are not barred from taking part in the management of the school as a result of a section 128 direction (see above).
- 17.7 Where trainee teachers are fee-funded, it is the responsibility of the initial teacher training provider to carry out the necessary checks. The Trust should obtain written confirmation from the provider that it has carried out all pre-appointment checks
- 17.8 All checks should be:
- Followed up where they are unsatisfactory, or where there are discrepancies in the information provided;

- Recorded, retained and used in accordance with the General Data Protection Regulations (GDPR) 2018 and other legislative provisions.

18 SINGLE CENTRAL RECORD

18.1 The Trust will maintain a Single Central Record which will cover the following people:

- all staff, including teacher trainees on salaried routes, and supply staff (who work at the Trust).
- for independent schools, all members of the proprietor body. In the case of academies and free schools, this means the members and Trustees of the academy Trust.

18.2 The bullet points below set out the minimum information that must be recorded in respect of staff members (including teacher trainees on salaried routes). The record must indicate whether the following checks have been carried out or certificates obtained, and the date on which each check was completed/certificate obtained:

- an identity check. Identification checking guidelines can be found on the GOV.UK website;
- a barred list check;
- an enhanced DBS check/certificate;
- a prohibition from teaching check;
- a section 128 check;
- further checks on people who have lived or worked outside the UK.
- a check of professional qualifications, where required; and
- a check to establish the person's right to work in the United Kingdom.

18.3 For supply staff, the Trust must also include whether written confirmation has been received that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates, and the date that confirmation was received and whether any enhanced DBS certificate check has been provided in respect of the member of staff.

18.4 Whilst there is no statutory duty to include on the single central record details of any other checks, schools are free to record any other information they deem relevant. For example, checks for childcare disqualification, volunteers, and safeguarding and safer recruitment training dates. The Trust may also record the name of the person who carried out each check.

18.5 There is no requirement for multi-academy Trusts (MATs) to have separate single central records, but schools should ensure the record is securely stored and easily accessible to those who need to see it, including Ofsted inspectors.

18.6 The single central record can be kept in paper or electronic form.

18.7 Any concerns about an applicant's suitability to work with children, must be reported to the police and/or the Department for Education (DFE) and the Disclosure and Barring Service (DBS).

19. RISK ASSESSMENTS

- 19.1 The Trust and its schools recognises that there may be some limited and exceptional occasions when it is appropriate for an employee (or volunteer) to start in post prior to the return of the DBS certificate.
- 19.2 In cases where this is this is appropriate, the Trust and its schools must ensure that a DBS application form has been completed for the person concerned and submitted to the DBS, if required for the post they have been appointed to. The Trust and its schools should ensure that all other pre-employment checks are satisfactory and that appropriate supervision arrangements are in place for the individual until a satisfactory disclosure is received, taking into account the duration, frequency and nature of contact with children. The DBS certificate must be verified by the School once the individual has received it.
- 19.3 In addition the Trust and its schools should consider completing a risk assessment, which will document the above measures and any other deemed necessary for the period that the disclosure is pending.

20. PROBATIONARY PERIOD

Non-Teaching Staff

- 20.1 It is recommended that appointments of new non-Teaching staff are subject to a probationary period, normally of six months, although this can be extended in exceptional circumstances by mutual agreement.

Newly Qualified Teaching Staff

- 20.2 Newly qualified Teachers are required to undergo an induction period of supported development where performance against the Teaching Standards is assessed. The induction period is the equivalent of three school terms after which a recommendation is made on whether induction has been satisfactorily completed.

21. INDUCTION

- 21.1 The Trust and its schools will provide an induction programme for all newly appointed staff and volunteers, including teaching staff, regardless of previous experience. This is in addition to the statutory induction period required for newly qualified Teaching Staff. The purpose of induction is to:
- Provide training and information about the Trust and its schools' policies and procedures;
 - Support individuals in a way that is appropriate for the role for which they have been engaged;
 - Confirm the conduct expected of staff within the Trust
 - Provide opportunities for a new member of staff or volunteer to discuss any issues or concerns about their role or responsibilities; and
 - Identify any concerns or issues about the person's ability or suitability at the outset and address them immediately.

- 21.2 In accordance with KCSIE 2020 all staff should be aware of systems within the Trust which support safeguarding and these should be explained to them as part of staff induction. This should include:
- the child protection policy;
 - the behaviour policy;
 - the staff behaviour policy (sometimes called a code of conduct);
 - the safeguarding response to children who go missing from education; and
 - the role of the designated safeguarding lead (including the identity of the designated safeguarding lead and any deputies).
- 21.3 Copies of policies and a copy of part one of the KCSIE 2020 document should be provided to staff at induction.
- 21.4 All staff should receive appropriate safeguarding and child protection training which is regularly updated. In addition, all staff should receive safeguarding and child protection updates (for example, via email, e-bulletins and staff meetings), as required, and at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.
- 21.5 All staff should be aware of their local early help process and understand their role in it.
- 21.6 All staff should be aware of the process for making referrals to children's social care and for statutory assessments under the Children Act 1989, especially section 17 (children in need) and section 47 (a child suffering, or likely to suffer, significant harm) that may follow a referral, along with the role they might be expected to play in such assessments.
- 21.7 All staff should know what to do if a child tells them he/she is being abused or neglected.

22. VOLUNTEERS

- 22.1 A supervised volunteer who regularly teaches or looks after children is not in regulated activity. The government has published statutory guidance on the supervision of activity with children, which is regulated activity when unsupervised, which is published on GOV.UK.
- 22.2 Under no circumstances should a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.
- 22.3 Volunteers who on an unsupervised basis teach or look after children regularly, or provide personal care on a one-off basis in The Trust, will be in regulated activity. The Trust and its schools will obtain an enhanced DBS certificate (which should include barred list information) for all volunteers who are new to working in regulated activity. Existing volunteers in regulated activity do not have to be re-checked if they have already had a DBS check (which includes barred list information). However, the Trust and its schools may conduct a repeat DBS check (which should include barred list information) on any such volunteer should they have concerns.

- 22.4 There are certain circumstances the Trust and its schools may obtain an enhanced DBS certificate (not including barred list information), for volunteers who are not engaging in regulated activity. This is set out in DBS workforce guides, which can be found on GOV.UK. Employers are not legally permitted to request barred list information on a supervised volunteer as they are not considered to be engaged in regulated activity.
- 22.5 The Trust and its schools will undertake and record a risk assessment and use their professional judgment and experience when deciding whether to seek an enhanced DBS check for any volunteer not engaging in regulated activity. In doing so we will consider:
- the nature of the work with children;
 - what the Trust and its schools knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers;
 - whether the volunteer has other employment or undertakes voluntary activities where referees can advise on suitability; and
 - whether the role is eligible for an enhanced DBS check.

The DBS cannot provide barred list information on any person, including volunteers, who are not in, or seeking to enter, regulated activity.

23. AGENCY/SUPPLY WORKERS

- 23.1 Supply staff directly employed by the Trust and its schools will be subject to the same safer recruitment practices as other staff.
- 23.2 Where the individual is employed through an agency written confirmation will be made with the supply agency that the relevant checks have been carried out and that they are satisfactory before the supply worker starts to work at the Trust and its schools.
- 23.3 The DBS check carried out on the supply worker will be checked to see if it contains any disclosed information and a copy of this will be obtained from the agency. Checks will be made to ensure the person who is supplied by the Agency is actually the person they have referred by carrying out identity checks (i.e. birth cert, driving licence, passport, evidence of address).

24. CONTRACTORS

- 24.1 The Trust and its schools will ensure that contractors who provide services to them that give rise to contact with children and/or young people carry out appropriate checks. The contractor is responsible for ensuring that sub contractors also follow the same procedures.
- 24.2 All contractors must provide a list of direct employees and those of any subcontractors before they start work on site.
- 24.3 Under no circumstances should a contractor in respect of whom no checks have been obtained be allowed to work unsupervised, or engage in regulated activity. The

Trust are responsible for determining the appropriate level of supervision depending on the circumstances.

24.4 If a contractor is self-employed, the Trust will consider obtaining the DBS check, as self-employed people are not able to make an application directly to the DBS on their own account.

24.5 The Trust will always check the identity of contractors and their staff on arrival.

25. VISITORS

25.1 Visitors will be required to sign in and out of the School and a member of staff or an appropriately vetted volunteer whilst on the premises will escort them.

25.2 DBS Disclosures are not required for visitors who will only have supervised contact with children on an ad hoc or irregular basis for short periods of time, or secondary pupils undertaking voluntary work or work experience in other Schools. This also applies to: -

- Visitors who have business with the CEO / Deputy CEO/ Executive Head Teacher / Head Teacher / Head of School or other staff, or who have brief contact with children with a member of staff present;
- Visitors or contractors who come on site only to carry out emergency repairs or to service equipment and who would not be expected to be left unsupervised on Trust premises;
- Volunteers or parents who only accompany staff and children on one-off outings or trips that do not involve overnight stays, or who only help at specific one-off events (e.g. a sports day, academy fete, open day etc.);
- Secondary pupils on Key Stage 4 work experience in other academies etc.; secondary pupils undertaking work in another academy as part of voluntary service etc., Key Stage 5 or 6th form pupils (although the School is responsible for ensuring that each pupil is suitable for the placement in question);
- People on site before or after School hours, or when children are not present e.g. local groups who hire premises for community or leisure activities, cleaners who only come in to the Academy after the children have gone home, or before they arrive;

26. EXTENDED SCHOOLS/ACADEMIES

26.1 Where services or activities are provided by the the Trust, which are directly under the supervision or management of the the Trust staff, the same arrangements for appointments, recruiting and vetting checks and record keeping will apply (i.e. for staff and volunteers).

26.2 Where a third party is responsible for running the services or is using the Trust site, there should be clear lines of accountability and written agreements setting out who is responsible for carrying out recruitment and vetting checks on staff and volunteers.

26.3 The written agreement should set out the respective responsibilities of the governing body and those of the provider or group in terms of health and safety, recruitment and vetting checks.

26.4 Child and user safety is paramount. Providers will need to demonstrate that they have effective procedures, training and vetting arrangements for their staff, appropriate child/adult ratios and contingency arrangements in place for emergencies or unexpected occurrences.

27. PUPILS STAYING WITH HOST FAMILIES (HOMESTAY)

27.1 The Trust quite often make arrangements for their pupils to have learning experiences where, for short periods, the pupil may be provided with care and accommodation by a host family to whom they are not related. This might happen, for example, as part of a foreign exchange visit or sports tour, often described as 'homestay' arrangements (see Appendix 4 for further details).

English Language Requirement for Public Sector Workers in Customer Facing Roles

What is the requirement?

Part 7 of the Immigration Act 2016 creates a duty to ensure that all public authority staff working in customer-facing roles speak fluent English to an appropriate standard. The Government has issued a statutory Code of Practice to help employers comply with this regulation. The code can be found at www.gov.uk "Code of practice on the English language requirement for public sector workers".

Who is covered?

Members of staff who, as a regular and intrinsic part of their role, are required to speak to members of the public in English are considered as working in a customer-facing role. This means that they must have a command of spoken English which is sufficient to enable the effective performance of their role. Either face-to-face or telephone conversations can bring a role within the scope of the act.

Reception staff, teaching staff and teaching assistants are likely to be covered. Facilities staff are unlikely to be. A higher level of competence may be required depending on the nature of the role and the profession of the employee. There is already a requirement under the Teachers Standards for Teachers to be fluent in English.

The fluency duty applies in respect of existing staff as well as to new recruits, permanent and fixed-term employees, apprentices, self-employed contractors and agency temps.

What is meant by fluency?

Employers must satisfy themselves that an individual has the necessary level of fluency appropriate for the role they will be undertaking, whether an existing or a potential new member of staff.

Fluency relates to a person's language proficiency and their ability to speak with confidence and accuracy, using accurate sentence structures and vocabulary. In the context of a customer-facing role, a person should be able to choose the right kind of vocabulary for the situation at hand without a great deal of hesitation. They should listen to their customer and understand their needs. They should tailor their approach to each conversation appropriate to their customer, responding clearly with fine shades of meaning, even in complex situations. **Fluency does not relate to regional or international accents, dialects, speech impediments or the tone of conversations.**

The Code of Practice refers to **The Common European Framework of Reference for Languages (CEFR)** as a useful descriptor of fluency levels.

Recruitment and selection - How can fluency be measured?

When recruiting for a post that has been identified as meeting the fluency requirement the Trust can, but are not required to, specify a minimum spoken English qualification as long as it is above the Common European Framework of Reference for Languages, Level B1 **(more information on this is provided in the statutory Code of Practice).**

Many non-EEA migrants may have already passed a similar qualification for the purpose of their visa application and would therefore be able to provide evidence of this. Nevertheless, employers are free to satisfy the requirement through other means, such as a test or formal interview.

There are a number of ways a job applicant could demonstrate their fluency, including, but not limited to:

- competently answering interview questions in English;
- passing an English spoken language competency test or possessing a relevant spoken English qualification at CEFR Level B1 or above, taught in English by a recognised institution abroad;
- possessing a relevant qualification for the role attained as part of their education in the UK or fully taught in English by a recognised institution abroad;

Where job applicants are clearly fluent to the necessary standard for the role in question, no further action is necessary.

Job Adverts, Job Descriptions and Person Specifications

When recruiting for a role where the requirement will apply, the Trust should specify this in the advert, job specification and job description. The example wording below is provided in the Code of Practice.

“The ability to converse at ease with customers and provide advice in accurate spoken English is essential for the post.”

And

“An ability to fulfil all spoken aspects of the role with confidence through the medium of English.”

The Trust could change customers to read members of the public/pupils.

What about the Equality Act?

The Trust must take into account their obligations under the Equality Act when considering their duty to ensure that each person in a customer-facing role speaks fluent English. The processes and methods used to determine whether a person has a command of spoken English for effective performance in the role must be fair and transparent.

It is unlawful to discriminate directly or indirectly against a person on grounds of race. The Trust should ensure that people from particular nationalities or ethnic backgrounds, in a recruitment process or whilst at work, are treated in the same way as people from an English background.

The interview panel members will need to ensure that they understand the spoken language requirements for the role and that they evaluate candidates against clear criteria set out in the role specification.

What happens if the requirement is not met?

Members of the public can complain if they feel that a customer-facing employee has insufficient fluency in spoken English. A pupil and or their parent/carer or could complain. The complaint would then need to be investigated and responded to.

A complaint about a member of staff's accent, dialect, manner or tone of communication, origin or nationality would not be considered a legitimate complaint about the fluency duty.

Members of staff who are the subject of a complaint should be notified of the complaint and the action being taken in relation to it. They should be given the opportunity, as soon as practicable, to give their own account of the facts leading to the complaint.

Disqualification Under the Childcare Act 2006 – Amended Regulations

The government introduced new legislation (The Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018.) The legislation came into force on the 31st August 2018 and the government released revised guidance. The guidance can be viewed at:

<https://www.gov.uk/government/publications/disqualification-under-the-childcare-act-2006>

There are a number of reasons that a person may be disqualified from working with children under the Childcare Act 2006. Staff can be disqualified by

- inclusion on the Disclosure and Barring Service (DBS) Children's Barred List;
- being found to have committed certain violent and sexual criminal offences against children and adults which are referred to in regulation 4 and Schedules 2 and 3 of the 2018 Regulations (note that regulation 4 also refers to offences that are listed in other pieces of legislation);
- certain orders made in relation to the care of children which are referred to in regulation 4 and listed at Schedule 1 of the 2018 Regulations;
- refusal or cancellation of registration relating to childcare, or children's homes, or being prohibited from private fostering, as specified in Schedule 1 of the 2018 Regulations;
- being found to have committed an offence overseas, which would constitute an offence regarding disqualification under the 2018 Regulations if it had been done in any part of the United Kingdom.
- Also, under the legislation a person is disqualified if they are 'found to have committed' an offence which is included in the 2018 Regulations (a 'relevant offence') this includes:
 - being convicted of a relevant offence;
 - on or after 6 April 2007, being given a caution for a relevant offence; or
 - on or after 8 April 2013, given a youth caution for a relevant offence.

Previously people had to declare if they themselves were disqualified from working with children, and/or if somebody they lived with or shared a household with was disqualified. The latter is known as disqualification by association. The main change in the recent legislation is that the Trust are no longer required to establish if staff, including those working with under 5s or under 8s in wrap around, extended hours or childcare, are disqualified by association. That is if they share a house with someone who would be disqualified from working with children. This means that schools no longer have to ask their staff questions about cautions or convictions of anyone living or working in their household.

However, staff can still be disqualified on their own behalf if they work with under 5s or under 8s in childcare provided by the Trust outside of normal school hours or the management of such staff or provision. The Trust need to be certain that none of these staff have a conviction or caution for any of the relevant offences or have been subject to any of the listed court orders.

The new legislation also makes other changes in some of the relevant offences. The new offences added to the list since the June 2016 guidance are:

- Criminal Justice and Courts Act 2015 – including care workers ill-treating or wilfully neglecting an individual
- Female Genital Mutilation Act 2003 – including conducting FGM and assisting a girl to conduct FGM on herself
- Modern Slavery Act 2015 – including holding a person in slavery or servitude and requiring a person to perform forced or compulsory labour
- Psychoactive Substances Act 2016 – supplying or offering to supply a psychoactive substance to a child
- Serious Crime Act 2015 – possessing a paedophile manual and engaging in controlling or coercive behaviour in an intimate or family relationship
- Terrorism Act 2000 – including belonging to a proscribed organisation and committing an act of terrorism
- Terrorism Act 2006 – including encouraging terrorism, circulating a terrorist publication and directing a terrorist organisation

A Trust must not continue to employ an individual who is disqualified in connection with early or later years childcare provision, nor should a disqualified individual provide or be directly concerned in the management of such provision unless they have received a waiver from Ofsted, which covers the role that they wish to undertake. This does not imply that individuals are prevented from working in a school/academy in any other setting.

Applying for a Waiver

If an individual is disqualified under the legislation they can apply for this to be waived via Ofsted, information of how to apply are provided in the guidance at page 14.

Staff covered

Staff are covered by this legislation if they are employed or engaged to provide **early years childcare** (this covers the age range from birth until 1 September following a child's fifth birthday i.e. up to and including reception year) or **later years childcare** (this covers children above reception age but who have not attained the age of 8) in nursery, primary or settings, or if they are directly concerned with the management of such childcare. This includes:

Early years provision - staff who provide any care for a child up to and including reception age. This includes education in nursery and reception classes and/or any supervised activity (such as breakfast clubs, lunchtime supervision and after school care provided by the school) both during the normal school day and outside of school hours for children in the early years age range; and

Later years provision (for children under 8) - staff who are employed to work in childcare provided by the Trust outside of the normal school day for children who are above reception age but who have not attained the age of 8. This does not include education or supervised activity for children above reception age during school hours (including extended school hours for co-curricular learning activities, such as the school's choir or sports teams) but it does include before school settings, such as breakfast clubs, and after school provision.

Staff who are directly concerned in the management of early or later years provision are covered by the legislation. The Trust will need to use their judgement to determine who is covered, but this will include the Executive Head Teacher/Head Teacher/Head of School, and may also include other members of the leadership team and any manager, supervisor, leader or volunteer responsible for the day-to-day management of the provision.

In relation to staff employed by childcare providers (i.e. not employed by the Trust) who hire or rent school facilities or premises (for example a private, voluntary or independent childcare provider), the Trust should ensure that such providers have appropriate policies and procedures in place in regard to safeguarding children, including under the 2018 Regulations.

Where the Trust use staff from any agency, or third-party organisation (e.g. supply teacher, music teacher or sports coach) to work in relevant childcare provision, or contract out such childcare, they must obtain confirmation that the agency or organisation providing the staff has informed them that they will be committing an offence if they are deployed to work in relevant childcare, or are directly concerned in the management of such provision, if they are disqualified under the 2018 Regulations. This should include the provider requesting that their staff inform them if they consider that they could be disqualified under the legislation.

Where the Trust deploys a person who is self-employed (e.g. music teacher or sports coach) to work in relevant childcare provision, the Trust must ensure that they are compliant with the requirements of the legislation explained in this guidance.

Volunteers and casual workers (including individuals on work experience) who are directly concerned with the management of childcare provision, and/or who work on a regular basis, whether supervised or not, in relevant childcare, are within the scope of the legislation and are covered by this guidance.

Staff who may be covered

Staff who are not employed to directly provide childcare, are not covered by the legislation. Similarly, most staff who are only occasionally deployed and are not regularly required to work in relevant childcare will not automatically come within the scope of the legislation. The Trust should exercise their judgement about when and whether such staff are within scope, evaluating and recording any risks and control measures put in place, and taking advice from their HR provider, the designated officer, safeguarding lead officer or adviser when appropriate. A record of the assessment should be retained on the employee's personnel file and a copy supplied to the individual concerned. In general individuals undertaking the following roles would normally be excluded:

- caretakers;
- cleaners;
- drivers;
- transport escorts;
- catering; and
- office staff.

School governors and proprietors are not covered by the legislation, unless they volunteer to work in relevant childcare on a regular basis, or they are directly concerned with the day-

to-day management of such provision. Further guidance on the safeguarding arrangements covering governors and the safeguarding responsibilities of governing bodies and proprietors is provided in KCSIE.

Additionally, it should be noted that, whilst out of scope of these regulations, school governors in maintained schools are also subject to additional arrangements and can also be disqualified from holding office (i.e. being a governor in maintained schools) under regulation 17, schedule 4 of the School Governance (Constitution) (England) Regulations 2012.

Staff not covered

This means that staff employed who work in the following roles are not covered, i.e. staff who:

- only provide education, childcare or supervised activity during school hours to children above reception age; or
- only provide childcare or supervised activities out of school hours for children who are aged 8 or over; and
- have no involvement in the management of relevant provision.

What should the Trust be doing?

An up to date enhanced DBS certificate or a check against the DBS update service will help the Trust establish whether the offences committed by that individual are relevant offences.

The Trust must ensure that they are not knowingly employing a person who is disqualified under the 2018 Regulations in connection with relevant childcare provision. In gathering information to make these decisions the Trust must ensure that they act proportionately. Accordingly, the Trust must ensure that they handle information fairly and lawfully and take care not to breach:

- Data Protection Act 2018 (DPA);
- General Data Protection Regulation (GDPR) (EU) 2016/679;
- Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013) ('the Exceptions Order');
- Rehabilitation of Offenders Act 1974 (ROA); and
- Human Rights Act 1998.

Personal data, including any details of the criminal record should not be held without consent from the individual. In instances where an individual does not consent, the Trust should only record the date the declaration was made, details of any additional safeguarding restrictions, and whether or not an Ofsted waiver has been granted if relevant.

The Trust should keep a record of all staff who are employed to work in or manage relevant childcare provision and record the date on which the information about qualification was provided. This can be recorded on the Single Central List. This will be checked by OFSTED and the Independent School Inspectorates as part of their schools' inspections.

The Trust will need to review any historic data collected and destroy any information which is no longer required i.e. disqualification by association information or information for people not working with these groups.

The Trust do not need to use a self-declaration form to obtain information about whether a staff member is disqualified. If they choose to do so they must ensure the questions are relevant and limited to the requirements of the legislation and are only asked of the relevant staff, so they are not in breach of data protection legislation, including General Data Protection Regulation 2018 (GDPR). A sample form is included at Appendix 3. This form can be used for new starters, existing staff and volunteers. For existing staff/volunteers it is recommended that it is updated on a regular basis e.g. annually.

In accordance with the GDPR Personal data, including any details of the person's criminal record, should not be held without consent from the individual. In instances where an individual does not consent, schools should only record the date the declaration was made, details of any additional safeguarding restrictions, and whether or not an Ofsted waiver has been granted.

Host families - homestay during exchange visits

Schools and colleges often make arrangements for children to take part in exchange visits, either to other parts of the UK or abroad. Exchanges can benefit learning across a range of subjects. In particular, foreign visits can enrich the languages curriculum and provide exciting opportunities for pupils to develop their confidence and expertise in the use of other languages.

Schools and colleges have a duty to safeguard and promote children's welfare, as defined at paragraph 4. This extends to considering their safety and how best to minimise risk of harm to those children during any exchange visit the school or college arranges, and when organising for the care and accommodation of a child with a host family (known as homestays) as part of the exchange.

School/college arranged homestay – suitability of adults in UK host families

When arranging a homestay, schools should consider the suitability of the adults in the respective families who will be responsible for the visiting child during the stay.

In circumstances where a school or college arrange for a visiting child to be provided with care and accommodation in the UK (including where they engage a company to make those arrangements) in the home of a family to which the child is not related the responsible adults will be engaging in regulated activity for the period of the stay. In such cases and where the school or college has the power to terminate such a homestay the school or college would be the regulated activity provider.

A regulated activity provider commits a criminal offence if it knows, or has reason to believe that, an individual is barred by the Disclosure and Barring Service (DBS) from engaging in regulated activity but allows that individual to carry out any form of regulated activity.

Where the child's parent(s) or a student themselves arranges their own homestay, this would be a private arrangement therefore the school or college would not be the regulated activity provider.

This includes where a person has parental responsibility for the visiting child. Where an adult is providing homestay in circumstances other than as described in this section, the school or college should seek advice from the DBS about whether the individual will be in regulated activity.

Where it is a private arrangement, the school or college are not entitled to obtain a standard or enhanced DBS check.

When a school or college arrange a homestay, it should consider what intelligence/information will best inform its assessment of the suitability of the adults in those

families who will be responsible for the visiting child during the stay. It will be for the school or college to use their professional judgement to decide what it considers what will be relevant. However, to help inform that assessment, schools and colleges should obtain a DBS enhanced certificate with barred list information. This check will not only establish whether the adults are barred from engaging in regulated activity relating to children, but where criminal record information is disclosed it will also allow the school or college to consider, alongside all other intelligence that it has obtained, whether the adult would be a suitable host for a child.

DBS enhanced certificates with barred list information for volunteer roles can be obtained free of charge.

In addition to those engaging in regulated activity, schools and colleges are free to decide whether they consider it necessary to obtain a DBS enhanced certificate in respect of anyone aged 16 or over in the household where the child will be staying.

Homestay – suitability of adults in host families abroad

It is not possible for schools and colleges to obtain criminality information from the DBS about adults who provide homestays abroad. Schools and colleges should liaise with partner schools abroad, to establish a shared understanding of, and agreement to the arrangements in place for the visit. They should use their professional judgement to satisfy themselves that the arrangements are appropriate and sufficient to safeguard effectively every child who will take part in the exchange. Parents should be aware of the agreed arrangement. Schools and colleges are also free to decide whether they consider it necessary to contact the relevant foreign embassy or High Commission of the country in question to discuss what checks may be possible in respect of those providing homestay outside of the UK.

In respect of an adult who provides UK homestay and receives no remuneration in respect of the stay or where schools reimburse families only for expenses incurred, to enable a DBS application to be considered as a volunteer role the 'Position Applied For' field will need to make clear that the position is unpaid.

During the visit

Pupils should understand who to contact during a homestay should an emergency occur or a situation arise which makes them feel uncomfortable.

Additional action for extended homestays

Where a period of UK homestay lasts 28 days or more, for a child aged under 16 years of age (under 18 years of age if the child has disabilities), this may amount to private fostering under the Children Act 1989. In these cases the school or college should notify the local authority of the arrangements. Private fostering legislation places a duty on local authorities to satisfy themselves that the welfare of a child who is being, or proposed to be, privately fostered in their area is being or will be satisfactorily safeguarded and promoted. By notifying the local authority, the school and college will be assisting the local authority in discharging its duty.
